

EASTER NEWSLETTER

HAPPY EASTER

We would like to wish all our owners and supporters a Happy Easter.

Its going to be a strange Easter for all of us. But don't worry we have it sorted for you.

We have races on Saturday at Warracknabeal and also at Stawell on Sunday....so stay home and cheer us on.

COMPETITION - The best cheering

Send through a video of yourself or someone you know cheering on one of our horses over the weekend to either 0400 533 139 or to our Facebook page.

The best cheering video deemed by Daniel will be rewarded with a t-shirt, hat and stubby holder.

STABLE CORONAVIRUS UPDATE

It is trying times for all of Australia with Coronavirus present throughout.

We are extremely proud to be part of an industry that has been proactive in putting all the right protocols and procedures in place to keep the industry functioning at this point in time.

A lot of people are grateful to have racing on free to air television as it is giving them something to watch and do.

Whilst we are still unable to have owners attend the races and our stables, we thank you for continuing to support us. Thank you for adhering to the policies and procedures that have been put in place by Racing Victoria and the stable.

Its definitely not something we want to do, as we love seeing our owners at the races and around the stables. But it is a must to keep us all going.

Hopefully it won't be too long and we will be able to have you all back trackside cheering and at the stables for a chat and a pat.

FENCING

Our front paddock fences are all done. And boy are we over the moon happy with them.

Sam Lewis and his team at Pro Fencing have done an outstanding job over the last two months.

We can now offer 16 day yards and 13 larger paddocks, along with our 30 boxes.

A boundary fence has been erected along the road and a specific and segregated parking area for our trucks, owners and staff has been established.

BEGOOD TOYA MOTHER

Unfortunately we had a luckless preparation with our Group 1 champ Begood Toya Mother.

After pulling up with a few niggles from his Sydney preparation and the Queensland carnival being cancelled, he has now been turned out for a spell.

Hopefully he will be back to his old self in the spring.

Welcome to the family Woody

It is almost impossible to match up if you list the words: horse payment or the name of your horse as there are others who will almost certainly have the same amount outstanding. So if in doubt of what to write in any description on your internet banking please put your last name.
