

Well its been a while since I have written a newsletter. A lot sure has happened since our last one. I'll try not to bore you with too much and keep it as brief as possible.

BEGOOD TOYA MOTHER

As you are all probably aware, we recently trained our first Group 1 winner. Woohoo!!!!

Begood Toya Mother flew the flag for the stable in the Sir Rupert Clarke Stakes at Caulfield. Declan Bates sure did replicate this with his standing in the irons salute.

Begood Toya Mother really was a revolution in how far he come in such a short time. In March he won a BM64 at Warrnambool and then 6 months later in September he won a Group 1.

If you had of said to us that this would've happened in March, we probably would've questioned you. But he just kept improving with each run and ended up providing us and his 55 owners with a lifetime dream.

He has had his spell and just returned into work this week to prepare for an early Autumn campaign.

Good Luck with your campaign ahead, Charles.

READY TO RUN SALES

This year was the first year that we attended the Ready to Run sales.

We were able to purchase a cracking Rubick Colt from the Gold Coast Sale and then an El Roca Colt from the Sydney Sale. The Rubick Colt was sold within a week after Yes Yes Yes won the Everest, proving he is a popular stallion. It is great to have so many new clients involved in the stable with his horse.

The El Roca colt we were originally going to keep for ourselves, as he is an absolute cracker. We just loved his presence at the sales. With a bit of interest from a few clients, the boss put her foot down and he now has shares available. See the last page for more information.

WINNER 100

So what do we know about the number 100?

- The year 100CE saw the invention of the wheelbarrow in China
- 100 is the sum of the first ten odd numbers
 $1+3+5+7+9+11+13+15+17+19+21=100$
- A par 3 has to be a minimum of 100 yards on the USPGA Tour
- Crowned Lizzie was our 100th career winner

Crowned Lizzie is a new season three-year-old filly, and like so many of her sisterhood, she seemingly has a stellar career ahead. At Warrnambool, the filly came from last to win easily – this was a win that came off the back of some good winter's work.

It's an achievement that has taken us on many highs and lows to reach it. There have been many owners who have been along this journey with us and a special mention must go to Mark Stainsby who was involved with our first winner Jarrah Twist and also our 100th, Crowned Lizzie.

WISH, WISH, WISH I MIGHT

New addition to the stable Wish I Might, put the score on the board early, with a win at Horsham.

The lightly raced Strategic mare, broke her Maiden over 1400m, when she was ridden by Jarrod Lorrensini at her fifth start. Although she took a little time to get through her gears, she was too strong late and got the bob in on the line.

SPORTSMANS NIGHT

We would like to invite you to attend a sportsmans night to help raise money for Beau and his Boys, Jack (4) and Nate (2). Beau is an owner of the stable and we would love to be able to help him out. His wife Carly was diagnosed with aggressive diffuse large B-cell lymphoma in July 2017.

After multiple rounds of intensive chemotherapy & clinical drug trials, Carly passed away in August 2018, aged 31.

Since Carly's passing, Beau has been grieving the loss of his wife alongwith being the best Dad he can be for his two young sons.

To support Beau and his boys we would love for you to come along for a great night. Please contact Denita on 0400 533 139 or email admin@djbowmanracing.com to purchase your tickets.

INTERNATIONAL PROSPECT

The search is still on for an international prospect to target the Autumn and Spring riches. In association with Australian Thoroughbred Bloodstock we have placed a few offers, to which the horses have not been available for sale or they have not passed the vet checks.

We will continue to search and should any horse become of interest we will be sure to let you know.

MIGHTY MUMBLES

Mumbles always showed he had a bit of talent when he was a young horse. However, there was always a reason as to why he just couldn't put it all together. Whether it be that he was unlucky in running, he over raced, the track was too wet etc. But the penny appears to have finally dropped after his 3 month spell.

When resuming at Bendigo, James Winks delivered a ride that took all bad luck out of the equation.

All the hype was for Black Caviars son, who was returning from a lengthy spell and sent out odds on favourite.

Winks stalked Prince of Caviar as soon as the barriers opened. He moved to his outside in the home straight, mowing him down to win by a length and three quarters.

Congratulations to his owners and hopefully there is a successful preparation ahead.

El Roca x Rose of Fire COLT

We purchased Lot 149, **El Roca x Rose of Fire Colt**, from the Sydney Ready to Run Sales.

He breezed up at Warwick Farm on the Synthetic surface in a time of 11.69sec. He looked to do it quite comfortably with his long free flowing stride.

He is the first foal of **Rose of Fire** who is a *Swiss Ace* mare. He is a three quarter sister to stakes winner **Marseille En Fleur**, who is also a daughter of *Swiss Ace*.

His father, **El Roca** is a son of **Fastnet Rock**. He won the ATC Eskimo Prince and was narrowly beaten in the Gr1 Randwick Guineas. In his racing career El Roca defeated Gr 1 horses such as Criterion, Dissident, Sacred Falls & Boban.

Based on his breeding, we feel he will be at his best over a mile and further.

He is well educated and has just been turned out for a spell. He will return to the stables in late December.
